The Candy Cane Club
Wishes The Class Of 1977
The Best Of Luck

Join the people who've joined the Army.

Since the end of the draft a lot of young people are discovering a good place to invest their time. The Army.

They've come, over 375,000 strong, for things they may not have found anywhere else. Some came for the job training. Where else can you get your choice of hundreds of good jobs? Some, for the chance to travel. Where else can you get to go almost anywhere in the world?

Some came for the personal challenge. Where else can you get as much responsibility right out of high school? Some, for education. Where else can you get such a good head start on college? (With up to 75% of your tuition and fees paid for while you're in the Army.)

Some came for the financial rewards. Where else can you get a starting salary of $374 a month (before deductions) and a raise to $417 in just six months? (Plus free meals, housing, medical and dental care, a 30-day paid vacation every year, and low cost transportation to help you enjoy it).

And some came for a different kind of reward. Where else can you do a service to yourself while you're being of service to your country?

Why should we be in such
desperate haste to succeed,
and in such desperate enterprises?
If a man does not keep pace
with his companions,
perhaps it is because he hears
a different drummer.
Let him step to the music
he hears,
however measured or far away.
